Uni-Care has been insuring travellers to New Zealand for more than 20 years. That makes us the most experienced provider of travel insurance for international students and visitors coming to New Zealand.

All this experience means that as well as understanding the risks faced by international students, travellers and their families we are also aware of the cultural needs to be considered at claim time.

NZ Student Plan Cover

NZ Student Plan is designed to cover the unexpected while away from home. Coverage limits are detailed in the Schedule of Benefits on the facing page.

Designed to help protect against the risks that accompany travelling and living overseas, NZ Student Plan also covers temporary return to the Country of Origin as well as trips to Australia and the South Pacific. Plus, you may also upgrade the NZ Student Plan Policy to cover visits to other countries.

Insurance is compulsory for International Students

All international students are required to have health and travel insurance while studying in New Zealand, so be safe and insure with Uni-Care. Our NZ Student Plan exceeds the insurance requirements of the NZ Ministry of Education’s Code of Practice for the Pastoral Care of International Students.

Pre-Existing Medical Conditions
